Notes from Text of IG Report

- 25X1A2g Page 61 - 64 - [REDACTED] - Leave T/O in OC
Need for senior staff OC officer.
- Page 65 - need for night transportation for women - Not limited [REDACTED] X1A2g
Recommendation agreed.
- 25X1A2d1 Page 65/6 - [REDACTED] - Example of special projects which if not carefully
controlled will prevent OC from doing staff communications job.
- Page 66-70 - ELINT - OC work to date good. Agency regulation badly needed.
- Page 70-74 - COMINT
- 25X1A2g 72 - [REDACTED] not formally approved by USCIB - justification in dissatis-
faction with NSA action not ability.
Problem should be resolved by USCIB action to get better NSA per-
formance. CIA not justified in diverting money and manpower into
duplicating activity.
- 25X1A Page 151 - 152 - Recommendations are made on SPD earlier in report.
- 25X1A6a [REDACTED] - Part problems largely due to personality conflicts
overtime not excessive. Project by CIA justifiable since NSA can't
go into [REDACTED] 25X1A6a
- 25X1A [REDACTED] personnel u happy about uncertain status.
